Station Madras, *Dated the* 26th September 1928.

From (Name) R.G. Grieve, Esq., M.A., F.R.G.S.,

(Designation) Ag. Director of Public Instruction,

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

I have the honour to state that in G.O.No. 808 Law Education dated 5-7-22, Government approved the scheme for the introduction of Sericulture as a Vocational subject in the Board High School, Kollegal, for a period of one year.

The continuance of this class was sanctioned for the last time in G.O.No. 124 Mis. Law Education dated 27-1-26 wherein a subsidy of Rs.319/- was also sanctioned towards the charges of the class in 1925-26. It was subsequently reported that the Manual training class in sericulture was not found to be satisfactorily working and that the District Board therefore resolved to abolish the class with effect from 1-6-26. The class was therefore discontinued from 1-6-1926.

2. In its place the Board has resolved to introduce carpentry and the President has accordingly requested me to obtain the sanction of Government for imparting instruction in carpentry to the pupils of the Board High School and for the payment of a half grant for the same.

3. It is proposed to teach wood work to about 150 pupils of Forms II to VI and cardboard work to about 132 pupils of class V and Form I.

4. As the accommodation necessary for this new class is not available, it is proposed to construct a building 50' x 15' at a cost of Rs.3480/- as finally approved by Deputy Consulting Architect to Government. The necessary plans and estimates are herewith submitted for reference and return.

5. The Adviser to Government on Manual and Vocational Training, Teachers' College, Saidapet, who scrutinized the scher estimates the recurring and non-recurring charges including the cost of constructing the carpentry shed. at Rs.1245and Rs.4880, per details furnished in the margin.,
